### IT'S NOT EASY SEEING GREEN!

*Atlantis Marine World Makes Green the Theme!*

Riverhead, NY - Each month, Atlantis Marine World invites its guests on a adventure of exploration, discovery, and family fun with themed events, activities, and exhibits on the weekends and over school breaks.

This month, all things lean toward green at Atlantis Marine World. Join us for green-focused fun - including a green animal scavenger hunt that will show you "It's Not Easy Seeing Green!" Complete with experiments and interactive presentations, crafts, story times, and a scavenger hunt, the dates are: March 3, 4, 10, 11, 17, 18, 24, 25, and 31. Special focus tanks will be available for viewing daily.

Atlantis Marine World, Long Island's own full-scale Aquarium, is located in downtown Riverhead on 3.2 acres along the scenic Peconic River. By capturing our visitors' imaginations and emphasizing the importance of marine life and environmental conservation and preservation, Atlantis Marine World's mission is to provide visitors with an interactive and exciting educational experience. Atlantis Marine World is also the home of The Riverhead Foundation for Marine Research and Preservation, New York's only authorized marine mammal and sea turtle rescue and rehabilitation center.
