KIDS ENJOY AQUATIC ADVENTURE AT ATLANTIS MARINE WORLD'S SUMMER CAMP PROGRAM *Week-long Program Provides Children with Hands-On Learning*

Atlantis Marine World's Adventure Days camp program adds interactive excitement to summer vacation. Separate programs provide age-appropriate learning and activities for children ages 4 to 14.

"We live on an island," explains Director of Education, Eileen Gerle. "This program allows children to learn about that island and its marine environment in a fun and unique way."

Children explore the wonders of the marine environment through the following programs:

- Discoverers (Ages 4-5; includes parent/guardian)
- Naturalists (Ages 9-12)
- Explorers (Ages 6-8 & 9-12)
- Adventurers (Ages 12-14)

A Tour Boat adventure, close encounters with marine creatures, the chance to catch fish on a deserted island - just some of the fun for children 8 and younger. Older children can collect and identify marine specimens on our Tour Boat, hike the Pine Barrens, climb a rock wall, go canoeing and kayaking, take a Shark Dive and Snorkel Adventure, and more.
