DAY TRADING BUSINESS SUITS FOR WET SUITS!

Atlantis Marine World Aquarium Launches Team Building Programs.

Atlantis Marine World Aquarium now offers a variety of year-round indoor and outdoor team building programs that focus on the leadership and team skills essential to any successful organization.

“Every company faces the challenge of bringing all kinds of personalities together into efficient, productive teams,” explains Aquarium General Manager, Bryan DeLuca. “We believe we’ve found an innovative, entertaining way to help do that in a most unique way - and in an incredible location and setting that cannot be matched by any other team building program currently offered on Long Island.”

Run by experienced facilitators, the programs are customized into an experience that meets organizational objectives, team development goals, and desired level of physical activity, with each program concluding with a discussion of leadership, delegation, decision-making, communication, time management, and other important team-related topics. The four programs are:

Atlantis Adventures (Available May, June, September, and October): An exhilarating journey throughout the Aquarium that involves up to 50 participants in activities such as snorkeling, canoeing, and rock-wall climbing. Each team must locate pieces of a tablet that have been hidden, using the clues provided. Once found, the pieces must be assembled so that the teams can decipher the written message.

Survivor Island (Available May through October): An interactive adventure in which up to 60 participants travel to a deserted island, where team members must figure out how to build a seaworthy vessel. To guide decision-making, each team is given a budget, and must meet all criteria to complete the challenge successfully.

Lights, Camera, Action! (Available Year-round): This indoor adventure allows teams to create a five-minute video presentation. Upon completion, a live presentation will be given to the group.

Poseidon's Treasure Hunt (Available Year-round): An indoor activity that takes groups throughout Atlantis Marine World in search of treasure. The first team to find and follow the hidden clues and uncover Poseidon's lost treasure wins.

About Atlantis Marine World Aquarium

Atlantis Marine World (AMW) opened in Riverhead, NY on June 15, 2000, as the first large-scale Aquarium to open in New York State in more than 35 years. Situated on 3.2 acres along the Peconic River, AMW is open 10:00am to 5:00pm daily (closed December 25). AMW is also the home of The Riverhead Foundation for Marine Research and Preservation, New York's only authorized marine mammal and sea turtle rescue and rehabilitation center. Additional information can be found at www.atlantismarineworld.com.
